FIRST EMPLOYEE OF THE MONTH -- Robert Hartmann (PPO) has the honor of being the first employee of the month. He was selected as the January Civil Service employee of the month. Bob works as a carpenter and has been employed at Governors State University since 1972. In discussing his job, Bob said that he likes the people and the type of work. He added that he gets a lot of satisfaction from the positive reaction of people pleased with the changes he makes.

When asked how he feels about getting this award, Bob said, "It was a surprise; and I appreciate being made the first recipient. I want to donate the money to a GSU scholarship fund."

Bob and his wife, Jean, have been married for forty-two years. They have two sons and four grandsons. Bob said he likes photography, building radio-controlled planes, and cooking.
